

OUR LADY & ST JOHN
CATHOLIC COLLEGE

Dear Parents,

I would like to invite you and your child to our Open Morning on Thursday, 21st September from 9-10.30am and Open Evening on the same day from 4.30-6.30pm.

Choosing a secondary school is a big decision and I am sure you want the very best for your child. We are a popular school with over two applications for every place and we have been judged an Outstanding Catholic College in our recent inspection by Salford Diocese. In addition we received praise for our “rapid progress” by OFSTED. We are part of a unique partnership with St Patrick’s National Teaching School which has enabled us to attract and train the very best teachers. This is a school where good is not good enough. We aim to be outstanding within two years.

The best way to find out about a school is to see us at work. Most of your children will have visited already and we extend a warm welcome you to do the same. For those who have not visited us before, this is an opportunity to experience our warm welcome, to see our excellent teachers and our well behaved and polite students.

During the Open Morning, there will be a presentation about our school and the ways in which we help students to make rapid progress. There will then be tours of the school where you can visit classes to see the school in action. If you are unable to visit us on the morning, or wish to have a second look around, the Open Evening will take place later that afternoon from 4.30-6.30pm for you to view the school’s facilities and talk to staff and pupils in a less formal setting outside of the school day.

I hope you are able to attend on 21st September to help you make an informed decision. Your primary Headteachers have kindly allowed your child to visit and they will get their mark for the morning. To assist us in the arrangements for the day I would appreciate it if you could complete and return the reply slip below to your child’s class teacher.

To arrange a personal visit at another time, please contact Mrs Spicer at school.

We are a school built upon traditional values, with a modern 21st Century approach to learning. I look forward to welcoming you with pride to our school.

Yours sincerely,

Mr P Tite
Headteacher
