

Year 11 Study Skills / Volunteering / timetable

June – July 2021

Hello Year 11

Please find attached a timetable of activities for you to keep you busy over the next few weeks.

If you would like to volunteer for a specific session, please email the teacher and specify which session. The teacher will need to consider numbers of volunteers.

You should soon be receiving information from your colleges about the transition work they expect you to do before you start your course. If you need any help with any of this your college will probably help and some of your teachers have offered some sessions on Google Classroom, or they might invite you in, if it's easier. Please email the teacher so they know who is interested in attending the session and they will organise a meeting.

For the First Aid course and canoeing, please email me so I know numbers and will plan the session.

Volunteering for the school garden and flower beds in school - please email me. I've ordered loads of compost and need to shift it!

There are also a few masterclasses run by Lancs Forum (Wednesday afternoons). You can book onto these yourself by following the link.

For the BAE masterclass on the 16th June - Please email me with the email you want the link sending to.

For the employability sessions - I will post new modules via Google Classroom regularly using the BeReady site. (Intro email should be in your inbox). Any help with CV's - Email me.

Hope all this makes sense!

Keep busy!

Mr Larkin

Year 11 Study Skills / Volunteering / timetable June – July 2021
