 maker of heaven and earth,
 of all that is, seen and unseen.
 We believe in one Lord, Jesus Christ,
 the **only Son of God**,
 eternally begotten of the Father,
 God from God, Light from Light,
 true God from true God,
 begotten, not made,
 of one Being with the Father.
Creation — **Incarnation**
 Through him all things were made.
 For us men and for our salvation
 he came down from heaven:
 by the power of the Holy Spirit — **death**
 he became incarnate from the Virgin Mary, and was made man. — **In carnation**
 For our sake he was crucified under Pontius Pilate;
 he suffered death and **was buried**. — **human side**
 On the third day he **rose again**,
 in accordance with the Scriptures;
 he **ascended** into heaven
 and is seated at the right hand of the Father.
 He will come again in glory to judge the living and the dead,
 and his kingdom will have no end.
key term — **Trinity** — **Sheep and goats**
 We believe in the Holy Spirit, the Lord, the giver of Life,
 who proceeds from the Father and the Son,
 With the Father and the Son he is worshipped and glorified.
 He has spoken through the Prophets.
 We believe in one holy catholic and apostolic Church.
 We acknowledge one **baptism** for the forgiveness of sins.
 We look for the **resurrection of the dead**, — **afterlife**
 and the life of the world to come. Amen.

Some Departments have recently been given a GAOMON tablet to use. These can be used to annotate or give live feedback directly onto the screen during a lesson. Also useful for live lessons to show students how to work something or point to something when students are not directly in the classroom.

If you would like to see more ways you can use the Tablet, follow the link below <https://www.youtube.com/watch?v=AqtekkcOBnl>

Podcast of the month-

Could listen to on a Christmas walk

The Love to Teach Podcast by Kate Jones. What to look out for...Episode 10 - Retrieval Practice: The basics.

Book of the Month

We have a copy in school

There is a significant problem in our schools: too many boys are struggling. The list of things to concern teachers is long. Disappointing academic results, a lack of interest in studying, higher exclusion rates, increasing mental health issues, sexist attitudes, an inability to express emotions.... Traditional ideas about masculinity are having a negative impact, not only on males, but females too. In this book, Matt Pinkett and Mark Roberts argue that schools must rethink their efforts to get boys back on track. (Also, a Podcast of the same name)
