Summer 2: Assignment Component 2 Learning Aim A

'Verna and Sam'

Learning Aim A: Understand the different types of Health and Social Care services and the barriers to accessing them

For this task, students must produce a review of the health and social care services in our area, and how they would meet the needs of the individuals in the case study they have chosen to use.

- Maintaining confidentiality.
- Preserving the dignity of individuals.
- Effective communication that displays empathy and warmth.
- Safeguarding and a duty of care.
- Promoting anti-discriminatory practice.
