

Our Lady & St John are delighted to announce that we have been awarded the Public Health England Workplace Well-being Charter.

We are the first school in the Borough to become accredited having achieved 'Excellence' (the highest level) across all 8 elements of the award.

As part of Healthy Heads, our whole school strategy to embed positive mental health and well-being, we have been working towards the Charter award throughout the last academic year.

We are extremely proud to have been recognised for our ongoing commitment and work to improve and support the well-being of our staff and pupils.
