

Using Google Classroom

A Pupil Guide

Home Learning

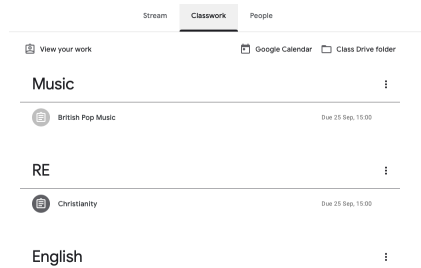

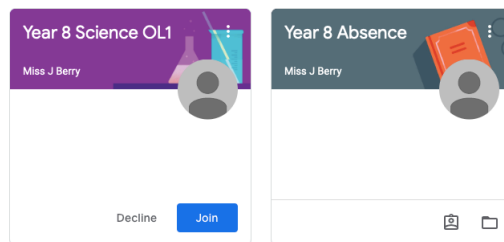

When you are learning from home, most of the work set by your teachers will be online. Your teachers will set the work on Google Classroom; therefore, ***you must log into Google classroom each day that you are absent form school*** to check what work has been set for you.

Logging in

1. Open your internet browser and go to Google classroom: [Google.classroom.com](https://www.google.com/classroom).
2. Enter your username and password. Example: 19tbarker@olsj.net Password: 12341234
3. If you have forgotten your password, email enquiries@olsj.blackburn.sch.uk and it can be reset for you.

Entering a classroom

1. When you have logged into google classroom, the classes you have been invited to join will be shown here.
2. Click on **Join** then go to **Classwork**. The work set for each of your subjects will be shown here.

Completing work

1. Click on one of the subjects you would have that day, for example **English**. You will see the instructions from your teacher here. Follow the instructions, for example 'watch a video clip'
2. When you have completed the work set by your teacher, click **Mark as done**.

3. **N**

Putting actions in the past simple
